

Driving Directions to Coco Plum Beach & Tennis Club

We are located 109 Cocoplum Drive, Marathon Florida 33050 which is on the eastern end of Marathon, Oceanside. Marathon is serviced by a modern airport, its own hospital, several large supermarkets and major pharmacies in addition to many excellent nearby restaurants. The Atlantic beaches on our island are among the few in the Florida Keys, and we are home to some of the best diving and fishing locations in the United States.

From Florida's East Coast

Take the Florida Turnpike all the way south toward Key West. Follow directions from the Keys.

From The Keys

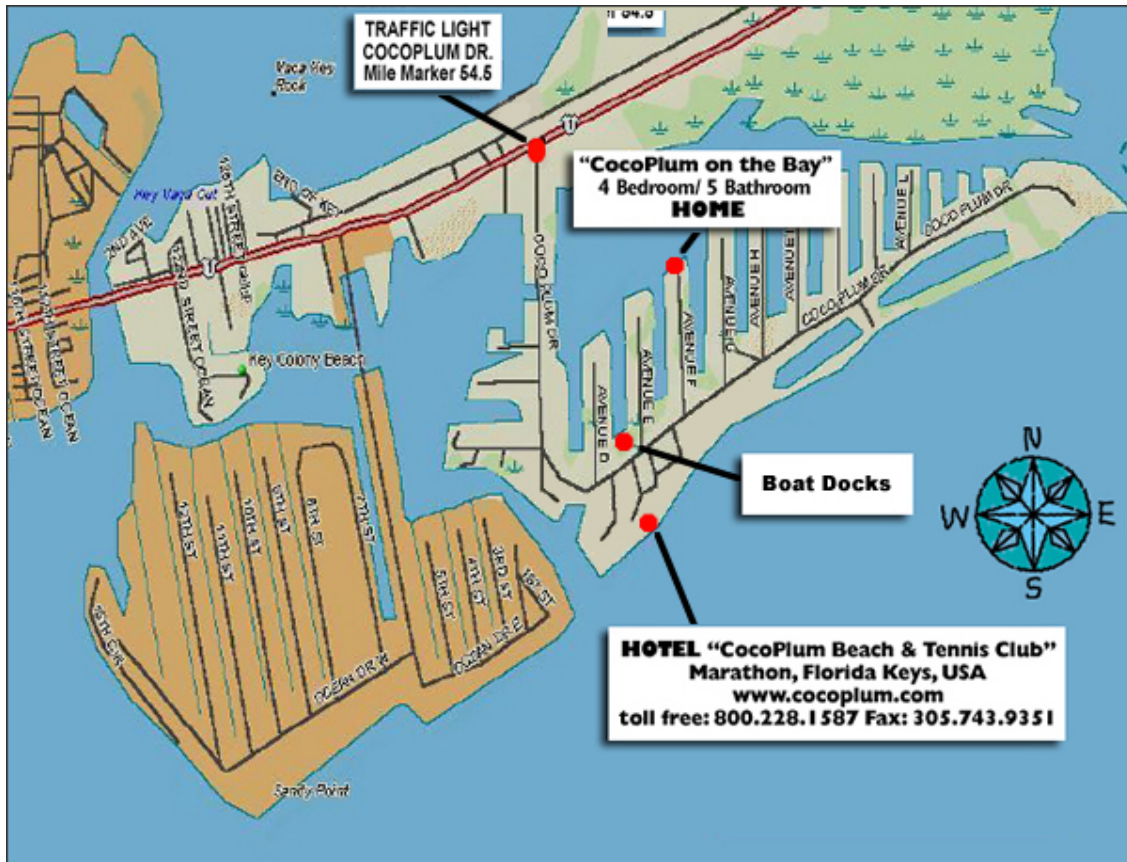

When you enter the Keys you will be at approximately mile marker 125. Key West is at the end at mile marker zero. We are located at mile marker 54.5 (there is a traffic light at Cocoplum Drive. If you pass Marathon Airport you have gone too far.) Marathon Airport is at mile marker 52. At Cocoplum Drive, turn left at the traffic light, proceeding south for approximately 1 mile. Cocoplum on the Ocean will be on your right.

Getting Around in the Keys

The Overseas Highway, US 1, is like our main street and we use those little green mile-markers along the side of the highway as addresses. The first mile-marker, #127 is just south of Florida City. The last is in Key West, the famous #0. If you know the mile-marker of your destination, getting there is easy!
